

JOOGIKAART/ DRINK MENU

Reute joogivalik on justkui pikem vestlus hea sõbraga – mitmekihiline ja täis avastamisrõõmu. Mõnikord rahustav nagu tassike teed, teinekord üllatav nagu maitsemänguline käsitöökokteil või hoopis päikseliselt rõõmus nagu limoncello. Ja vahel lihtsalt kui klaas head veini, mis sobib ideaalselt meeleoluga. Siin ei ole midagi üleliigset ega juhuslikku – iga jook on valitud hoolikalt, et see harmoneeruks meie menüü elegantselt Itaaliapärase maitsenüansside ja lum mavate merevaadetega.

Reute ei paku lihtsalt joogivalikut –
siin loome hetki, mis väärivad nautimist.

Reute's drink selection is like a conversation with a close friend – rich, layered, and full of delightful surprises. It might be as soothing as a warm cup of tea, as intriguing as a handcrafted cocktail with unexpected flavors, or as cheerful as a sunny limoncello. And sometimes, it's simply a glass of fine wine that perfectly matches the moment. Every choice is intentional, crafted to complement the Italian-inspired flavors of our menu and the breathtaking views of the sea.

At Reute, it's not just about the drinks –
it's about creating memorable moments to savor.
